

WEGOVY/OZEMPIC/MOUNJARO INFORMATION

1. We can write for **Wegovy** in the USA for everyone.
 - Separate injector for each weekly dose.
 - Supply is improving. Check your mail order pharmacy first.
 - Once you find supply, check [your insurer for coverage](#). Discount card available even if drug not covered by insurance.
2. We can write for **Ozempic** in the USA
 - Insurance may not pay/discount for non-diabetics. Cash price is over \$900/mo. or more without savings card.
 - One pen lasts all month. Dial the necessary dose on the pen.
 - Check for coverage first (for non-diabetes), then check supply.
3. We can write for **Mounjaro** in the USA
 - Insurance may not pay/discount for non-diabetics. Cash price is over \$900/mo. or more without coupon.
 - Check for coverage first (for non-diabetes), then check supply.
 - Separate Injector for each weekly dose.
4. Canadian Ozempic temporarily unavailable.
 - We can fax our printed Rx to Canada or you can upload it yourself.
 - Shipping will take 2-4 weeks on average.
 - Current cost is \$350+ per month
 - 2 months can be ordered at first visit (check all links below)
 - 3 months can be ordered if desired at the second visit

 - <http://www.northwestpharmacy.com/>
 - <https://www.canadamedpharmacy.com/>
 - <https://www.canadapharmacy.com/>
5. **Saxenda** (Liraglutide) is a similar but DAILY injection first approved for weight loss in 2017. This is may have [coverage](#) without supply issues.

Please research your insurance coverage and in-stock availability of the above options for your insurance plan, including your insurance's mail-order pharmacy.

Research this BEFORE YOUR FIRST VISIT.

We will apply for pre-approval if requested but cannot guarantee an outcome or lie about a diagnosis. Lack of supply is not typically honored as a reason to approve one med over another.

DIET RULES...

- Inject only the lower abdomen or upper thighs. Do not inject near the navel. Upper arm requires another person to inject you.
- Follow the instructions on the package insert.
- Most common side effects are Nausea, Vomiting, Diarrhea, Constipation, and Abdominal Pain. Following the recommended menu minimizes these side effects
- The recommended menu is **Chicken (no skin), fish, whole fruit, whole vegetables, eggs. 64 ounces of water per day.** Coffee, Tea allowed up to 2 cups per day. No portion restrictions.
- No potato, rice, dairy, almond milk, soy milk, protein shakes or bars, juices, nut products, grains, or alcohol in first month. No fried foods or

preparing foods in more than a spray of oil on the pan. **No food with an ingredient list.**

- Dosing will be determined at your monthly visit and escalated to maximize results.
